

TRIBUTE IS PAID MEMORY OF ELKS WHO ARE ABSENT

Annual Memorial Services Held
Yesterday Afternoon at the
First Baptist Church.

ADDRESS BY WILLIAMSON

Past President State Association
Speaks on Principles of Order—
An Excellent Program.

Tribute to the memory of the "absent brother," who has crossed the Great Divide, was paid by Rock Island lodge No. 980, B. P. O. Elks at the annual memorial exercises of the order held yesterday afternoon at 3 o'clock at the First Baptist church.

The members marched in a body from the lodge rooms to the church where a section of seats was reserved for them. The affair was public in its nature and the building was crowded with those anxious to witness the beautiful ritualistic service of the order.

Address by Williamson.

Sam Ryerson, exalted ruler, presided. The feature was the address of Hon. Charles H. Williamson, past president of the Illinois Elks association and one of the most brilliant men of the order in the state. Mr. Williamson has a wide reputation as an orator and made many friends here at the time of the last state convention of the Elks which was held in Rock Island.

Mr. Williamson discussed the principles of Elksdom. He showed how life's pathway had been smoothed through the practice of fidelity, virtue, charity and brotherly love and said that the primary purpose of the organization was to scatter broadcast the gospel of cheer and happiness.

He studied the lives of Socrates, Caesar, Jesus and the other strong men whose personalities have impressed the world and demonstrated that each emphasized in his life in his own peculiar way, some cardinal principle taught in Elksdom.

"This world needs sunshine. Each has his share of sorrow to carry. Usually we are so concerned about our own petty worries that we forget the man who is more unfortunate. We neglect to extend the helping hand, so taken up are we with our individual needs. But strangely enough the man who begins to help the other fellow finds that his own burden is lightened and thereby is born a new vision of life and its possibilities."

Praises Lodge.

Dr. H. W. Reed, pastor of the First Baptist church also gave an address in which he praised the local lodge for its charity work. He referred to the recent gift to the Argus Santa Claus fund and commended strongly the endless contributions made to benevolent purposes. He spoke of the state convention held in Rock Island and commented upon the spirit of good fellowship displayed, declaring that it was good to see tired business and professional men throw aside their cares for a time to "act as boys again."

J. C. Dunn, who was to have read Bryant's "Thanatopsis," was unable to be present, and George C. Wenger gave

BACKACHE VANISHES RHEUMATIC PAINS GO

Few Doses of Croxone Ease Stiff, Sore,
Swollen Joints and Muscles, Relieving
Backache and Bladder Disorders.

If you suffer with backache—have pains in the neck or sides—nervous or dizzy spells—a few doses of Croxone will relieve the congestion and you will be surprised how quickly all kidney, bladder and rheumatic troubles will disappear.

Croxone promptly relieves these diseases because it really does reach the real cause. It soaks right into the walls and linings of the kidneys, cleans out the stopped-up, inactive organs, neutralizes and dissolves the uric acid and makes the kidneys silt from the blood the waste and poisonous matter that lodge in the joints and muscles to scratch and irritate and cause rheumatism. It soothes and heals the delicate linings of the bladder and gives the kidneys renewed strength so they can filter the blood and keep you well.

Croxone is different from all other remedies. It is so prepared that it is practically impossible to take it with-out results. An original package of Croxone costs but a trifle, and all druggists are authorized to return the purchase price if it should fail in a single case.—(Adv.)

menal here Tuesday morning. A short
written test will be given on state
game law and the federal regulations
regarding migratory birds. There will
then be an oral examination as to the
field duties involved and the commis-
sion will be aided in that work by
Dr. T. S. Palmer, chief of the biologi-
cal survey of the department of agri-
culture. For those who desire appoint-
ments to positions along rivers, tests
will be given Wednesday in handling
launches and in marksmanship. These
examinations will be conducted at
Camp Lincoln. The candidates will
be tested on their familiarity with the
fish and game which will be under
their protection and all candidates will
be examined for physical fitness. Per-
sons holding temporary commissions
as deputy game wardens will be re-
quired to pass the examinations, and
those failing will be removed. Exami-
nations for district game wardens will
be held at a later date.
